

## Feedback Form on OKDHS/Faith Based and Community Collaboration around Children in the Bridge for Foster Care and Adoption System

OKDHS is continuously seeking to improve our efforts to support the great work being done in the faith community. To help us do this, we would greatly appreciate you taking the next few minutes to tell us about your experiences, and how we can do a better job partnering on this important issue.

1. What additional information would be helpful for you in partnering with OKDHS to address the needs of children in foster care?
2. What activities would be effective in engaging a local congregation “to action” in the area of foster care?
3. What would be some of the components of a successful foster care ministry in a local congregation?
4. Any additional comments or suggestions?
5. Do you represent a **faith-based** or **community** organization? (circle one)

6. Name (optional): \_\_\_\_\_

Thanks!
